Est. 2001

B.Com. in Management Studies
(Previously called B.M.S)

**Admission through the
All India Entrance Examination
Since 2010**

(Open to Arts/Science/Commerce)

PROGRAM OVERVIEW

Industry-Aligned Curriculum

- **Entrepreneurial & Managerial Excellence:** Cultivates innovation mindset and mid-level leadership skills for industry demands.
- **Research-Driven Curriculum:** Upgraded coursework integrates Finance, Marketing, HR, and Production with applied research methodologies.
- **Academic-Practical Synergy:** Combines rigorous theory with real-world exposure to foster multidisciplinary expertise and entrepreneurial resilience.
- **Experiential Learning Edge:**
 - Bloomberg Terminal: Hands-on financial analytics training.
 - Harvard Business School Case Studies: Develop strategic decision-making through real-world business scenarios.

Expert Faculty & Mentors

Students learn from renowned faculty and industry leaders, supported by mentorship from a strong alumni network and collaborations with leading firms to ensure holistic development.

Assessments are designed to align with industry standards, incorporating analytical tasks, project presentations, article critiques, and simulated interviews.

With a strong focus on project-based learning, the alumni of this department are placed in top positions in organisations across the globe. Many have also founded and sustained their own ventures, driving inclusive growth through impactful social entrepreneurship.

Core Values

The program fosters leadership, innovation, and integrity to shape ethical, industry-ready professionals.

CURRICULUM & OPPORTUNITIES

NEP-Driven Curriculum

- **NEP-Aligned Curriculum:** Combines flexibility and interdisciplinary learning for a modern education experience.
- **Core Competencies:** Master foundational subjects like Financial Management, Marketing, and Economics.
- **Tailored Academic Pathways:**
 - Major-Minor Structure: Pair your **Management Studies major** with minors in BAMCJ, BSc IT, BAF, etc.
 - Cross-Disciplinary Electives: Explore diverse subjects (arts, sciences, tech) to broaden expertise.
- **Skill-Building Focus:**
 - Industry-Ready Training: Courses in IPR, Business Law, and emerging vocational skills.
 - Holistic Development: Blends ability enhancement, ethical values, and practical knowledge.
 - Career Edge: Prepares graduates for diverse roles through academic rigor and real-world relevance.
- **Industry Visits:** Gain hands-on exposure to real-world operations, strategies, and trends through curated visits to leading organizations

Zephyrus Business Fest

The official inter-college business festival hosted by the Department of Management Studies ignites the entrepreneurial spirit of future business leaders by bridging academia and industry. This flagship event has brought together visionaries from organizations like SBI, Tech Mahindra, RBI, World Bank, NCAER and more for a national business conference, offering students unparalleled insights and networking opportunities. Backed by strategic brand partnerships, Zephyrus combines immersive workshops, real-world case challenges, and thought leadership sessions to foster innovation and professional growth.

CAMPUS LIFE

- **Skill-Building Clubs:**
 - FinCell: Financial literacy and market analysis expertise.
 - E-Cell: Nurtures entrepreneurial ventures and startup culture.
 - Sports, Music & Performing Arts: Enhance creativity, teamwork, and leadership.
- **Signature Events:**
 - Malhar Fest: Premier cultural festival celebrating arts, innovation, and talent.
 - National Competitions: Students compete in competitions like Aavishkar, HSBC Case Comp. & more bridging classroom learning with industry excellence.
