## **Instruction regarding Question Paper & Marking scheme**

- There are two sections in the question paper. Both sections are compulsory.
- A separate answer sheet will be provided. This sheet will contain a grid for the answers to Section I, and a ruled sheet for the answer to Section II. Please note down your answers on your answer sheet. **No answers are to be marked on the question paper itself.** Nothing marked or written on the question paper will be evaluated.
- Please note down answers to both sections in pen. Nothing written in pencil will be evaluated.
- Section I consists of 100 multiple choice questions. Each question is for 1 mark. There is no negative marking.
- Section II consists of an essay question. This question is for 20 marks - 10 marks for the content of your answer and 10 marks for the coherence of your writing.
- Thus, the total marks for the paper is 100 marks (Section I) + 20 marks (Section II) = 120 marks in all.
- The duration of the examination is 2 hours (120 minutes).
- Students with learning disabilities can avail of a provision of extra time - for this, the department needs to be informed in advance and the student should carry the certificate and show it to the supervisor in the examination room.
