4th February 2016

To Whom It May Concern

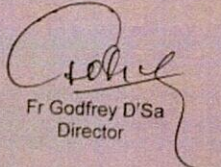

This is to certify that *Linda Eunice Dhakul* was a resource person for 'Kabhi Khushi Kabhi Gham' – A Festival of Feelings (a project to boost Mental Health)

The aim of this project was to help children enhance their emotional health through the process of indulging in activities that would help them portray, experience and express their feelings. They were also taken through a workshop on 'Handling Difficult Emotions' where counselors helped them understand feelings like anger, sadness, fear, etc. This was primarily for Grades 5th, 6th and 7th. Simultaneously, parents of these children attended a workshop conducted by experts on 'Effective Parenting' and were guided on skills to build emotionally stable and happy children.

This event was held in January 2016 at three different locations in Mumbai.

We thank her for volunteering time in this project and wish her the very best in the future.

Sincerely,

Fr Godfrey D'Sa
Director

Shalu Mehrotra
Project Coordinator
