Respected Madam.

We would like to request you to guide our M.Sc. (Home Science) in Food Processing and Preservation (Semester III and IV students) Ms. Rupal Solanki for her project (200 marks). Dr. Geeta Ibrahim will be the co-guide with you for guiding the student.

Students will be allotted two days for project work and are expected to meet you on one of these two days every week. Please find details about the module below:

- The introduction, review of literature and methodology should be submitted tentatively by 15th of September 2016 (end of Semester III).
- Evaluation of the project work for Semester III should be submitted by 15th of September, 2016. Details of the evaluation criteria will be shared with you later.
- The final report with results, discussion & conclusion should be submitted by March 2017.
- We encourage the students work to be presented/published in conferences/journals with due acknowledgement to the College of Home Science, Nirmala Niketan.
- The student will be the first author, followed by the guide and co-guide.

We appreciate your support in helping our students achieve academic success.

Thank you,

Yours truly,

Mrs. Sukhada Bhatte
