Respected Sir,

As a part of the Master's programme , the students of Branch IB: Food Processing and Preservation Course are expected to do a research work in their Semester III and IV. Two students from our college, Ms. Mubasshira and Ms. Drashti Shah would be guided by Dr. Priya Sundarrajan for the research work they undertake in this academic year. We would request you to allow them to work in Caius Research Laboratory of your renowned college for the same.

We are sure of the support we would get from your end in our academic mission.

Thanking you.

Respected Madam,

We would like to thank you for accepting our request to guide our M.Sc. (Home Science) in Food Processing and Preservation (Semester III and IV student) students, **Ms. Mubasshira Shaikh and Ms. Drashti Shah**

Students will be allotted two days for project work (Wednesday and Thursday) and are expected to meet you on one of these two days every week. Please find details about the schedule below:

- The introduction, review of literature and methodology should be submitted tentatively by 15<sup>th</sup> of September 2019 (end of Semester III).
- Evaluation of the project work by the guide for Semester III should be submitted by 15<sup>th</sup> of September, 2019. Details of the evaluation criteria will be shared with you later.
- The final report with results, discussion & conclusion should be submitted by March 2020.
- We encourage the students work to be presented/published in conferences/journals with due acknowledgement to the College of Home Science, Nirmala Niketan.
- The student will be the first author, followed by the guide's name.

We appreciate your support in helping our students achieve academic success.

Thank you.

Yours truly,
