St. Xavier's College (Autonomous)

This is a college that has a lot of history associated with it. I visited this college in Sep 2019 - nominated by the UGC to review their status as a College for Excellence.

This is a Summary of my report.

Unique features:

1. Heritage buildings
2. Museum

Other plus points:

1. Committed teachers
2. Well Mannered students
3. Extra Special care for the visually challenged students

Areas for improvement:

1. Most of lab equipments are outdated.
2. Number of Computers insufficient for the number of students.
3. Non-teaching staff in the unaided programs need to be cared for better.

Overall the College is an Excellent institution.
